Ann Watson
Treasurer/General Manager

Ann is the Treasurer/General Manager for Foundation Restoration Specialists, Inc. t/a Stopleak. She is responsible for the daily operation of the company, including, but not limited to, marketing, accounts receivable, and payable.

Having started her business career as a paralegal with a major law firm in Baltimore City, she then moved to another law firm in a managerial position in Baltimore County using her paralegal skills as a litigator for that company. Moving on to use other leadership skills, Ann co-ordinated all the programs in a local pre-school and then took over as the director of the entire program.

Ann is a graduate of Towson State University (now Towson University) with a major in Childhood Education and of Villa Julie College (now Stevenson University) with a major in the Paralegal Program.

Ann has been married for over 20 years and is the mother of five children. She resides in the Towson area.
